

# Satisfying Quality of Life

Local residents enjoy numerous opportunities for recreation and leisure, cultural enrichment, shopping enjoyment and commerce and industry.

## Health Care Services

Health care in Muskingum County is readily available, affordable and of the highest quality. Genesis Healthcare System provides a higher level of care than most community hospitals of its size, including Level II Perinatal Care, open-heart surgery, interventional cardiac services and neuro-surgery. Services extend beyond the hospital walls with community education, occupational health, rehabilitation, hospice and home care services.

Muskingum County also has several high-quality nursing homes meeting the needs of the aged. Six County Community Mental Health Services, Inc., serves the region with a qualified staff of psychiatrists, psychologists, social workers, nurses and counselors.

## Recreational Activities

Muskingum County is rich in opportunities for sportsmen and outdoor enthusiasts. Boating, hiking, fishing and hunting are enjoyed in three Ohio State Parks.

Seven top-quality public golf courses and the Zanesville Country Club provide challenges for players of all skill levels.

Zanesville's riverfront park system provides recreational and athletic fields for youth and adult leagues, as well as a paved biking and jogging trail. In addition to the Zanesville Park System, a County Park District has been established to provide further emphasis to recreational activities throughout the county.

Muskingum County is well known for top quality athletic clubs. These facilities offer a wide variety of physical fitness, sports and exercise opportunities.

## Leisure Time Activities

For area residents who need a break from sports and outdoor activities or who prefer more laid-back recreational experiences, Muskingum County offers much.

The Zanesville Art Center, Secrest Auditorium and the Muskingum County Library System are three cultural amenities of the quality seldom found outside metropolitan areas. The art center is a showplace of galleries of works by art masters, local artists and Muskingum County's own art pottery.

Shopping is another popular activity. A modern shopping mall and several other retail centers are joined in the community by locally owned stores and unique shops. Muskingum County's annual retail sales revenue consistently ranks in the top five among Ohio's 51 non-metropolitan counties.
