- Call to request Muskingum Tech's Speaker's Bureau listing which contains numerous speakers knowledgeable in a wide variety of subjects.

The Chamber of Commerce **Speakers Bureau** was formed exclusively for Chamber members. And as a Chamber member, you are invited to take advantage of this community and member service at no charge.

- ◆ Through the **Speakers Bureau**, we will compile a roster of members who are willing to speak to local groups.
- ◆ Registering for the **Speakers Bureau** provides you the opportunity to be referred by the Chamber to a wide variety of community organizations, schools and other businesses for public speaking appointments.
 - ◆ You tell us the topics, which you are willing and able to speak on, and we will promote the **Speakers Bureau** service to the community.
 - ◆ Your name and your chosen presentation topics will be included in our promotions.
- ◆ The benefits of this program are twofold: You get additional exposure and visibility for your business and the community gets a valuable, convenient service from our chamber.

If you want to be included on the roster for the Chamber of Commerce **Speakers Bureau**, contact Kathy Hollins at 455-8282.
