

Awards for Community & Economic Success

Presented by the Muskingum Growth Partnership

The purpose of the ACES Program is to recognize and celebrate economic investment by businesses and organizations in Zanesville and Muskingum County. **Deadline for nomination is 2/25/22.**

The awards are presented annually by the Muskingum Growth Partnership and the Chamber to all area businesses that made a tangible investment or improvement in buildings, equipment, machinery, inventory or other business assets that resulted in the creation or retention of jobs, increase in tax base, and other forms of economic growth.

Please help us recognize your firm or another business and celebrate these very real successes by providing the information below. Your information will be confidential and will NOT be shared except in as part of total with that of the other award recipients.

Awards will be presented during Chamber Week on March 14th -18th
