SHRIVERS HOSPICE
FOUNDATION®

End of Year Giving 2024

Help us improve the
quality of LIFE for
Local Hospice patients

Dear Friends of Shrivers Hospice Foundation-

As we approach the end of another year, we at Shrivers Hospice Foundation reflect on the importance of compassionate care and the power of community. This year, your support has been vital in helping us bring comfort, dignity, and peace to countless individuals and families throughout Southeast Ohio.

Every day, our team of dedicated professionals provides comprehensive end-of-life care and emotional support to patients and their loved ones. But our mission goes beyond the medical aspect—it is about honoring lives, supporting grieving families, and offering hope. With your help this year, we have been able to provide:

- **Nearly 100 patient experiences**
- **High-quality blankets for every patient upon being Admitted to our care**
- **Christmas Gifts for every patient (150+)**
- **Over 100 Meals to families**
- **Wreaths Across America Wreaths for every Veteran we lost in 2024 (80+)**

As we look forward to the new year, our commitment to this community is unwavering. But to continue our work, we rely on the generosity of supporters like you. Your donation directly impacts the lives of those facing some of their most challenging moments. With your help, we can ensure that every patient has access to compassionate care and that no family walks this journey alone.

This holiday season, we invite you to make a gift to Shrivers Hospice Foundation. Every dollar you give makes a real difference. Together, we can help provide not only comfort and care but also hope to those who need it most.

Thank you for being part of our community and for believing in the work we do. May this season be one of peace and gratitude for you and yours.

With deepest gratitude,

Jess Sabine
Executive Director
Shrivers Hospice Foundation
