

Crystal Springs Golf Club
745 N. Hopewell Road
Hopewell, OH 43746

Dear Business,

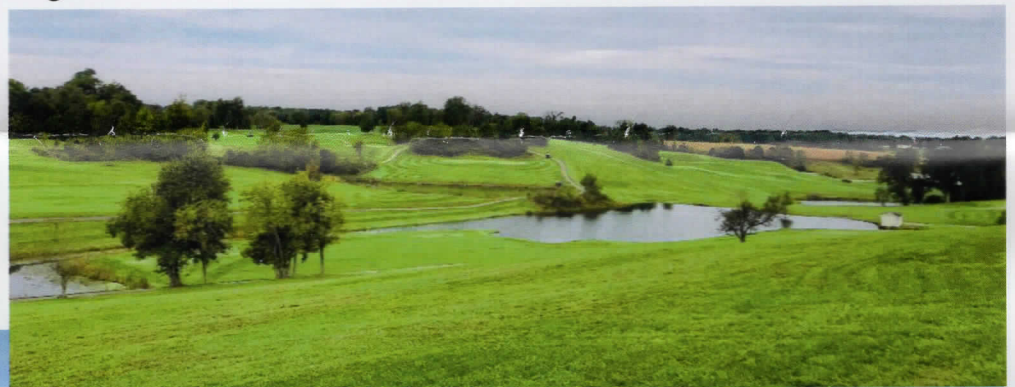

I would like to introduce you to our golf course, Crystal Springs, located approximately 10 miles from Zanesville and 18 miles from Newark. Crystal Springs is an 18 hole links style championship golf course winding across the hills of Western Muskingum County. The course features bent grass tees, greens, and fairways, elevated tees and gently sloping greens in a tranquil setting. The course is known by golfers for its beauty as well as the challenge it provides for all, and is often referred to as a "hidden gem".

We are here to host all of your companies, charities, or just a friendly get together golfing needs. We can accommodate outings of all sizes. With our outdoor shelter your guests will be able to drop by at the turn to grab a snack and a cold beverage. Tables and chairs are included. After your outing relax and unwind in the shelter with a meal provided by your favorite caterer. Groups of 80 or more will have the luxury of having the course entirely to themselves.

Please feel free to call or email me anytime with questions, date inquiries, or to schedule your next outing. I'm happy to be of assistance and help you with all of your golfing needs. If you've never played here before and want to see for yourself, call us today to see how to get a free round of golf.

Jocelle Kennedy

Future of Work and Education Summit

Responding to the Future: Education and the Economy of Muskingum County

Friday, Feb. 21

8 a.m. to Noon

Ohio University Zanesville/Zane State College Campus Center

Breakfast Provided

Free Event

Registration Required

Join us to learn about the creative educational changes that are shaping the future workforce. The purpose of this summit is to create a conversation between education and business leaders that ignites valuable collaborations. The event will promote opportunities for questions and open discussion between attendees.

Featured Speaker: Jaime Casap

Google EDUCATION
EVANGELIST

Jaime Casap is the Chief Education Evangelist at Google. Jaime evangelizes the potential of digitalization as an enabling capability in pursuit of promoting inquiry-based learning models. Jaime collaborates with school systems, educational organizations, and leaders focused on building innovation into our education policies and practices. Before he joined Google, Jaime spent seven years as a strategy and organization consultant at Accenture, where he worked with companies in financial services, government, utilities, healthcare, and electronics and high tech.

He serves as an advisor to dozens of organizations focused on learning, skill development, and the future of work. He is the coauthor of "Our First Talk About Poverty," as a way to talk to children about poverty. Jaime also teaches a 10th grade communication class at the Phoenix Coding Academy, and guest lectures at Arizona State University.

He speaks on education, digitalization, innovation, generation z, and the future of work at events around the world. You can follow and reach him on Twitter at @jcasap and watch his YouTube career advice videos at www.youtube.com/jaimecasap.

Following Jaime's presentation, representatives from Muskingum County's educational institutions will engage in discussions to anticipate what role they can play in our county's future economic workforce development.

REPUTATION: A Funeral Homes Most Important Asset

People choose a funeral home for different reasons.....

Convenience: Which one is closest to my home?

Previous Experience: Which one has my family always used?

Reputation: Many of my friends recommended this funeral home.

These are definitely good points to consider ...but when changes occur with local funeral business what else should you consider???

Size of the Funeral Home: Is it spacious enough to accommodate our family? **YES, BRYAN & HARDWICK certainly is.**

Appearance of the Funeral Home: Is it a comfortable atmosphere for visitation? Is it neat & clean? Is there ample seating, adequate lighting & climate control? **YES, at BRYAN & HARDWICK we have all of this.**

Exterior of the Funeral Home: Is the building well maintained? Is there convenient parking options with plenty of parking available? Is it accessible? **YES, BRYAN & HARDWICK definitely is.**

Funeral Directors & Staff: Are they pleasant & knowledgeable? Do they have the confidence in their ability to help & support your decisions? Do they have the experience needed for you to have full trust in their abilities? **YES, AT BRYAN & HARDWICK we do!**

Dollars & Sense: Ultimately you control the cost of a funeral by the choices you make. We will assist you in creating a service that meets all of your needs, including your budget. At Bryan & Hardwick we guarantee the value you receive from our service will far outweigh any cost paid.

Expanded Hours to Meet Your Family's Healthcare Needs

We know you have limited time but still need care for the unexpected. Genesis FirstCare has expanded hours to provide healthcare access with early visits and after hours. If it's a cold that has gotten worse, a minor injury or a persistent sore throat that is interfering with work, school or family time, Genesis FirstCare understands the need to get care. Caring for you is our first and only priority.

Some examples of non-emergent illnesses and injuries we treat include:

- Cold
- Cough
- Drug screening
- Ear aches
- Head congestion
- Initial work-related Injury
- Minor cuts and lacerations
- Pink eye
- Puncture wounds
- Rashes
- Runny nose
- Simple skin infections
- Sore throat
- Sprains
- Strains
- Toothaches
- Urinary tract infections

If you have more complex conditions, Genesis FirstCare providers may refer you to the Genesis Emergency Department. The complex conditions or symptoms include:

- Abdominal pain or persistent vomiting
- Any pregnancy problems
- Swollen extremities with no injury
- Chest pain
- Chronic pain
- Dizziness or lightheadedness
- Head injury
- Kidney stones
- Numbness
- Severe headache
- Stroke
- Trouble breathing or shortness of breath
- Weakness

Services Not Provided at FirstCare:

- Blood work
- EKGs
- CT Scans
- Ultrasound
- IV fluids
- Medication refills
