Eastside Community Ministry CHAIR-ity Auction

Eastside's 2019 CHAIR-ity Auction is held in conjunction with WHIZ at the Home Hearth and Away Show at the Colony Square Mall, Feb. 7, 8, & 9. This venue gives your business, business name and your CHAIR-ity Auction item great public exposure. **The auction will include sealed bids on Thursday, Friday, and Saturday, with a LIVE Auction of selected items on Friday at 3:30 PM.** Make sure you stop by and VOTE for the People's Choice Award. Votes will be accepted Thursday, Feb. 7 at 10 AM through Friday, Feb. 8 at 2:30 PM. Winner will receive lunch for up to 10 people.

Our CHAIR-ity Auction revolves around fundraising with chairs, new or used. It doesn't matter. What matters is simply the presentation. That is, what is added to the chair in the way of incentives such as decorations, accessories and/or enhancements.

Donations can be new or used rocking chairs, kitchen chairs, children's chairs, computer chairs, recliners, car seats, bar stools, garden benches, stadium seats, bicycle seats, a ride in the seat of a special car. The possibilities are limited only by your imagination.

Each chair should have a theme, such as a child's chair with a teddy bear sitting on the seat as an incentive.

- *A computer chair could have a printer or a monitor as an incentive.
- *A kitchen chair could have a cookbook, a grocery store gift card, a new blender or a Tupperware collection.
- *Rocking chairs could have an afghan or a family photo album.
- *A child's car seat could have baby food, diapers, toys or a baby store gift card.
- *A recliner could be a stand alone donation, or could include a 6 pack of soda, a deluxe remote control or a big screen TV.
- *Lawn chairs could include picnic supplies, sunscreen, beach towels or a beach vacation.
- *A stadium seat/cushion could include game tickets and/or binoculars as an incentive.

Use your imagination and have fun with the idea!

When you have made your decision on a chair and incentive, please fill out the Entry Form and return it to: Eastside Community Ministry, P.O. Box 965, Zanesville, Ohio 43702-0965, Email: ecm@eastsideministry.org, or Fax: 740-455-9815.

Entries will be accepted through Feb. 6, however if you would like to be included in the Times Recorder Promotion, please return this form by January 28.

Cash Donations, instead of auction items will also be accepted.

Chairs can be delivered to the mall between 5-9 PM on Wednesday, Feb. 6. If other arrangements need to be made, contact Jamie Trout at Eastside at 740-452-7519.

Saving for Retirement

The Sooner the Better

**Monthly investment
required to get to
\$1 million at age 65**

The later you start saving for retirement, the more you'll need to save on a monthly basis, as outlined in this example.

Remember, everyone's priorities are different. Your financial advisor can help you determine a strategy that works for your goals and your lifestyle.

Time + Money = Your Retirement Savings

**Age you
begin investing Required monthly investment**

Age 25	\$405
Age 30	\$584
Age 35	\$855
Age 40	\$1,277
Age 45	\$1,970
Age 50	\$3,214
Age 55	\$5,846

Age 65 investment value \$1 million

Source: Edward Jones. This chart assumes a 7% hypothetical rate of return. Rates of return are calculated on a monthly basis and for illustrative purposes only. They do not represent investments currently available. Systematic investing does not guarantee a profit or protect against loss. Such a strategy involves continual investment in securities regardless of fluctuating price levels of such securities. The investor should consider the financial stability to continue the purchases through periods of low price levels.

Figures do not include taxes, fees, commissions or expenses, which would have a negative impact on investment results.

What a Difference 3 Years Can Make

Annual Maximum IRA Contribution Example

You miss out on tax-deferred growth potential if you wait to start funding an IRA.

Hypothetical Value at Age 65 Depending on What Age You Start Investing

IRA Maximum Contribution of \$5,500 a year,
plus an additional \$1,000 catch-up contribution for ages 50 and older

Source: Edward Jones. This chart assumes a 7% hypothetical rate of return rounded to the nearest \$1,000. Returns are calculated annually and are for illustrative purposes only. The chart does not represent any currently available investments. Calculations assume an annual contribution (made at the beginning of the year) until the last day of your 65th year (the contribution limit for those under age 50) and add \$1,000 per year at age 50 and thereafter (the catch-up contribution limit for those age 50 and older). Figures do not include taxes, fees, commissions or expenses, which would have a negative impact on investment results.
