Chamber
OF COMMERCE

How can the Chamber of Commerce help your business?

Connecting businesses is what we do best! From advocating economic growth, to providing services to the community and serving our member base. We are in business for businesses!

-  **Did you know?** The majority of Z-M Chamber members realize a 300% ROI on their membership investment and our marketing packages provide members a 62% discount on bundled services.
-  **Connections** - The Chamber membership directory is our yellow pages! Our team and our technology works to connect businesses and services for our members everyday.
-  **Exposure** - Promote your business using our multi-channel approach including print, digital and social media marketing. Participate in our TV Commercials to maximize your company's visibility in the community!
-  **Education** - We provide quarterly business and leadership training programs. Additional training is provided through the Safety Council program, and our partnership with our local HR Management Association.
-  **Events** - We host virtual and in-person experiences such as Chamber Week, the Legislative Breakfast, golf outings, business mixers, our famous Festival of Trees auction and more!
-  **Business to Business (B2B)** - Studies show there is a 51% increase in consumer awareness, and a 63% increase in the likelihood that consumers will patronize your business in the future.
-  **Business to Government (B2G)** - Our Chamber works with local, state and federal government officials to identify and advance the legislative issues, and initiatives to create a pro-business environment.

Trusted by over 700 local businesses in Muskingum County.
