IT TAKES LITTLE TO BE BIG

Big Brothers Big Sisters.

As the nation's largest donor- and volunteer-supported mentoring network,
Big Brothers Big Sisters makes meaningful, monitored matches between adult
volunteers ("Bigs") and children ("Littles"), elementary age through young adulthood in
communities across the country. We develop positive relationships that have a direct
and lasting effect on the lives of young people.

COMMUNITY-BASED PROGRAM

Community-Based mentoring is the traditional Big Brothers Big Sisters relationship model. Our Community-Based Bigs meet with their Littles at least two times a month on their own time. They can do activities they both enjoy, such as going to the movies, to the park, or out to lunch, etc. BBBSZ staff provides guidance throughout the match to Bigs, Littles, and parents. There are currently 40 Littles waiting for a Big.

LUNCH BUDDIES PROGRAM

We currently serve 15 schools in Muskingum, Guernsey, Morgan, and Noble Counties. Once a week, a volunteer meets with their Little at school during lunch time. Together they will work on crafts, games, and socialemotional activities. BBBSZ staff is always on site to supervise. Bigs & Littles have no communication outside of the program. Lunch Buddies begins in mid-October and runs until mid-April.
