

THANK YOU FOR PARTICIPATING

Bowl for Kids' Sake is the most important fundraising event of our year.

The energy, generosity and caring of people like you is so important to Big Brothers Big Sisters AND to all those children in Muskingum, Guernsey, Morgan and Noble Counties who get so much out of the time spent with our volunteers and mentors. Their self-esteem rises. Their grades improve. Their likelihood of drug and alcohol use changes drastically. That's life changing!

The interest rate will be in effect for a 14 month period associated with an accompanying 14 month Companion CD. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly.

Balance Info: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. We will use an interest accrual basis of 365 (or 366 in leap year) for each day in the year. You must maintain a minimum balance of \$0.01 in the account each day to obtain the disclosed annual percentage yield.

Limitations: you must deposit \$100.00 to open this account. Companion Savings Accounts must be 1. Opened with new money and an accompanying new 14 month Special Companion CD, 2. Funded the same day the accompanying Companion CD is opened, 3. Not larger in value than the new Companion CD, 4. Does not allow additional deposits after the initial deposit unless deposited during renewal period(s) associated with accompanying Companion CD and, 5. If accompanying 14 month Companion Special Certificate of Deposit (CD) is not renewed upon first maturity, or any subsequent maturities, rate on Companion Savings will revert to our standard statement savings rate at that time.

Account Fees: \$2.00 will be imposed every statement cycle if the daily collected balance falls below \$200.00 on any day of the statement cycle. The following fees apply to this account: Overdraft: \$30.00 per item; and Insufficient Funds: \$30.00 per item. Fees could reduce the earnings on this account.

The CD: The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect until February 13, 2020. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly. Interest on your account will be credited by adding the interest to the principal. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.
