

Three Star Moving & Storage Co.

The Expert Moving & Storage Company of Ohio

ABOUT US

When choosing a moving company, it's essential to work with a team you can trust, one that understands your community and your needs. Three Star Moving and Storage is proud to be a locally owned and operated company, serving our neighbors with care and dedication.

We know that moving, whether it's your home or office, can be stressful. That's why our team goes above and beyond to make the process as smooth and hassle-free as possible.

To make your move even easier, we offer packing materials sold per box, so you never have to worry if you underestimate how many you need.

As a locally owned business, we take the security of your belongings seriously. Our secured warehouse is available for rent if you can't move all of your items at once. The space is sectioned and accessible only during business hours, keeping your valuables safe..

Many moving companies can transport your belongings from one place to another, but few can match the personal care, attention, and community-minded service that comes from a locally owned business like Three Star Moving & Storage. We're committed to being part of this community and making every move a positive experience for our neighbors.

WHY CHOOSE US?

- **Locally Owned**
- No need to lift heavy objects
- Avoid renting expensive equipment
