# Beneficial Ownership Information Report

Effective January 1, 2024, 32M+ businesses must file Beneficial Ownership Information (BOI) reports to comply with the Corporate Transparency Act. As your trusted partner, we want to make sure you know how to comply.

- **Optimized for small businesses** – Smart form guides you through the filing process with simple questions and tool tips to explain requested information as you go
- **Mobile-friendly interface** – Seamlessly access the tool from a computer, mobile device, or tablet; you have the ability to scan personal identification with your phone’s camera and upload securely
- **Easy collaboration** – You can send unlimited invitations via email or text to beneficial owners for quick form completion
- **Access to BOI experts** – Help desk with expert support is readily available between 8 AM and 5 PM ET, with voicemail and callback options outside of business hours

## A fast, simple, and secure tool for small businesses

**Take a quiz to see if you need to file!**

Scan me!

**Benefits of using BizFilings' BOI Report, backed by the leading provider of corporate filings and due diligence services:**

Easy to use with minimal to no training

Hours of time saved filing updates when information changes

Know sensitive information is kept safe

Reduce errors with online form data validation

**Learn more at: <https://www.nvboh.bank/Business-Banking/BOI/>**
