Go BIG!

It's time for the Big Brothers Big Sisters Buckeye Pep Rally and Auction!

Matches like Lisa and Vinnie are possible thanks to the support of fundraisers like our Buckeye Pep Rally and Auction. Lisa first met Vinnie at Zane Grey Elementary school when they were matched as Lunch Buddies. The bond of friendship quickly developed into something special and they are now a community based match that plans to stay together, forever! They enjoy baking, going to dinner and playing games. They recently went to Disney World!

Can we count on your support this year?

The funds go a long way in creating and supporting one-to-one mentoring relationships like Lisa and Vinnie.

The event will be held Friday, November 22nd at the Muskingum County Fairgrounds from 6—11 pm. For more information, go online at www.bbbsz.org.

Ways to help:

- Donate an auction item for our live or silent auction
- Donate a bottle of wine for our Wine Pull
- Purchase a \$100 Reverse Raffle Ticket (\$10,100 in cash prizes with 23 chances to win!)

Technology Consulting Services

Are you still running Windows 7?

Did you know that Microsoft will stop providing security updates on January 14, 2020?

Why does this matter to me?

After all, it's not like my computer will suddenly stop working, right? No, but some of your programs might, depending on the vendor. When Microsoft stops providing security updates the risk to your computer and data from theft, destruction or ransom greatly increases each day. Depending on your industry, it can also present compliance issues as your computers are no longer receiving security updates.

Regardless of industry, continuing to run Windows 7 can be an issue with your insurance company and your bank. Since your computer is no longer receiving security updates, you are not exercising due care or due diligence in protecting your data.

How can SEO CPA Group help?

SEO CPA Group offers the following technology consulting services:

- Upgrade computer, network, and software
- Technology review
- 1, 3, and 5-year technology plans
- IT outsourcing
- Computer security training
- Microsoft Office training
- Software help for QuickBooks and Office 365

What should I do?

If you are running Windows 7 (or any of the other products listed below), you should upgrade or replace them by January 2020.

What other products are affected?

- Windows 7
- Office 2010
- Small Business Server 2011
- Windows Server 2008
- Exchange Server 2010

What's my next step?

Contact Kyle Plummer at SEO CPA Group to schedule a time to discuss your environment and your options. Kyle can be reached by email at kplummer@seocpagroup.com or by phone at 740-868-1100.
